# 2020 MHSAA GIRLS VOLLEYBALL FINALS

**JANUARY 14-16**

## Welcome

**W**elcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune along the way getting here; others have overcome adversity. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged as well. To wait for the exact moment, use the right touch, make the right cut.

Discipline also means testing your people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That’s the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied.

Good luck to all!

— Mark Uyl  
MHSAA Executive Director

# Hornets Create Buzz in Repeat

All Heather Bowers does is win MHSAA titles. The second-year Mendon volleyball coach is now 2-for-2 at Kellogg Arena, as her Hornets defeated Leland for the second straight year in 2019 – 25-17, 25-19, 27-29, 25-14 – for the MHSAA Division 4 Final.

“The hard work these girls have put in, I just can’t say how proud I am of them,” Bowers said. “It was a completely different group with a completely different dynamic, but the same work ethic and the same drive and will to win.”

The 2018 title was the first since 2001 for the Hornets (40-9-6). But even after losing six seniors, last year’s group came in with experience winning on the Kellogg floor led by junior Anna Smith. She was dominant for the second straight year, with 22 kills, 13 digs and four aces.

“The fact of the matter is she can score at will against our team – against any team. I haven’t seen anybody shut her down,” Leland coach Laurie Glass said. “She has all the shots. She gets up there and she sees tips, she sees the corner, she sees the line, she sees the cross. At this level, not a lot of D4 schools have kids that can do all of that at will. She’s super talented.”

Smith was the main target for Hornets setter Gracie Russell, who finished with 41 assists. But Russell spread the ball around, keeping the Leland defense guessing. Senior Taylor Heitkamp was second on the team with 12 kills.

“We knew (the Comets) were such a balanced team that we had to be one, too,” Bowers said. “We all showed up, we all got involved. It was amazing. It was a great group effort.”

Leland’s attack was three-pronged, led by junior Tatum Kareck with 15 kills, senior Gillian Grobbel with 13 and Olivia Lowe with 11. Jana Molby had 37 assists for Leland (44-15-3).

But a strong Hornets defense held Leland to an overall .128 attacking percentage. Mendon finished with eight total blocks, led by five assists and one solo from junior Andrea Hoffman.

“Leland’s always had strong hitters, so we know that we have to defend our back row so they can have our backs, too,” Hoffman said. “You have to put up a big block to run your offense, and we did.”

Leland won the first four points of the match, but the momentum was short-lived, as Mendon won 13 of the next 16 to take control. The Mendon lead got as high as 13-7 after a pair of aces from Smith, which forced Leland to call a timeout.

While the timeout

stopped play, it didn’t swing the momentum, as the Hornets kept Leland at arm’s length on its way to a first-set victory.

The Hornets never trailed during the second set, leading by as many as eight (24-16).

Leland built an 18-12 lead in the third set, gaining momentum from an unlikely play. With her team trailing 6-4, Lowe dug a powerful Smith spike with her face, and the Comets wound up getting the better of what turned into a long rally.

The Comets had set point at 24-19, but Mendon senior defensive specialist Juliana Hagenbuch served her team back into the match and gave the Hornets a match point opportunity at 25-24. But Leland bounced back to close out the set and force a fourth.

Mendon took control of the fourth set early, leading 12-6 and forcing a Leland timeout. Thanks to incredible back-line play from sophomore Isabella Smith and Hagenbuch, the timeout wasn’t able to stop the Mendon roll. Hagenbuch finished with 19 digs, while Smith had 12.

“I think they put up a strong block today, so it was really easy to stay off their shoulder and pick up balls that they touch or they block,” Hagenbuch said. “They made my job easy today. I didn’t have to dig as many balls. I was proud of them.”

Mendon’s Ryley Mullin (11) and Anna Smith (8) were solid at the net in the D4 Final.

## Mercy! Marlins Take D1

Jess Mruzik spent most of the 2019 MHSAA Division 1 Final putting dents in the court at Kellogg Arena.

But with the opportunity to seal Farmington Hills Mercy's first volleyball title at her fingertips, Miss Volleyball showed some touch.

Mruzik's tip sealed a 25-21, 25-12, 23-25, 26-24 victory against Lowell, finally giving the perennial contenders the big mitten trophy.

"I knew as soon as I got blocked (at 24-23) that, 'Man, I probably shouldn't have done that,'" Mruzik said. "I knew what I was going to do right after that. I knew that I made a mistake there, and I just wanted to win that point for my team."

Mruzik's tip capped off a 34-kill night, the third-most prolific attacking performance in Finals history.

The final kill may not have hit with the same thud as the others, but it set off a celebration several years in the making. Mercy (58-1) has spent much of coach Loretta Vogel's 11 years leading the program as a highly-ranked team, but its best finish was as Class A runner-up in 2010.

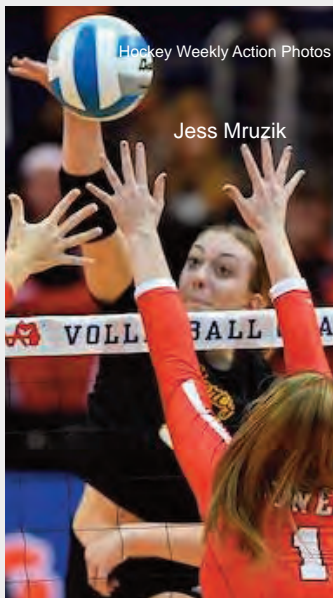

As her team piled up in celebration near the net, Vogel couldn't help but join in.

"I had to," Vogel said. "You don't know whether it's going to happen again."

Vogel brought her entire team into the postgame press conference to drive home the point of how special this group was.

Mercy won a hard-fought first set, but showed its ability to dominate in the second, ruthlessly wiping out a 9-4 deficit and taking the set's final 13 points for a 2-0 lead.

Lowell managed to dig deep and take the third set, and the Red Arrows again had a lead in the fourth, this time 15-12 midway through. The teams traded points and mini runs until they were tied at 23 and 24, setting up the final two kills from Mruzik to end it.

## GR Christian Repeats in D2

Tiffannie Gates couldn't hold back the tears. The Grand Rapids Christian volleyball coach had just watched her team win a second-straight Division 2 title in 2019, sweeping Lake Odessa Lakewood 25-21, 25-15, 25-16, which is emotional enough. She also had just finished her last game as coach of her daughter, Jordyn, who shined in her final game as an Eagle.

"It's really bittersweet right now to think I'm done coaching her," Tiffannie Gates said. "You couldn't ask for a better ending. It's been pretty neat."

The Grand Rapids Christian program closed out an incredible run with another dominant showing at Kellogg Arena, sweeping the No. 2 team in the Final for the second straight year. The top-ranked Eagles actually swept both matches at Kellogg – defeating Kingsley in the Semifinal – and finished 46-3, dropping just 10 sets all season.

All while carrying around the target that comes with being the reigning champion.

"Every team came to play against us," junior outside hitter Addison VanderWeide said. "No matter who they were, they came to play their best volleyball. We definitely felt that, but we were able to push through and stay on top."

At the center of it was Jordyn, a Miss Volleyball finalist. The 5-foot-10 senior setter came into the weekend with more than 1,000 assists on the season, and finished the Final match with 39 assists, 13 digs and six kills.

Jordyn spread the ball around enough to keep Lakewood off balance, as Ayva Kooistra and Evelyn Doezema each had six kills. But it was clear that VanderWeide was her main target, and she came through in a big way. VanderWeide had 28 kills on 55 attack attempts for a .436 attack percentage.

"I even knew before we even showed up that she was going to have the game of her life," Jordyn said. "I knew to just dish the ball to Addi, she's the girl on fire."

## Monroe St. Mary CC Goes 5 to Get No. 6 in Division 3

The Monroe St. Mary Catholic Central volleyball team didn't mean to be prophetic when it made "I've got your six" its season motto.

But in the 2019 D3 Final, the saying's original intent – that each team member had the other's back – gained a new meaning as the Kestrels brought home the school's sixth MHSAA Volleyball title with a five-set victory against Schoolcraft.

St. Mary (50-2) won 25-27, 25-21, 19-25, 25-18, 15-12 at Kellogg Arena to claim the Division 3 championship, the program's first since 2014.

"Being here (in 2018) and going through a five-set loss (in the Semifinals) really fueled us," St. Mary coach Karen O'Brien said. "We wanted this from Day 1."

It's the first title for the Kestrels under O'Brien, who previously coached at Eastern Michigan University. O'Brien underwent treatment earlier in the season for her third battle with ovarian cancer.

The much-anticipated battle between the top two teams in the Division 3 rankings lived up to its billing. The teams proved to be very evenly matched, and any multi-point run seemed like a major victory.

"I think we played a great game, and if we play them again, maybe we beat them in five," Schoolcraft coach Erin Onken said. "I think that matchup goes more sets than three every single time. We have a ton of respect for them, and we knew it was going to be tough."

It was the No. 2 Kestrels who made the final run, winning the final three points. St. Mary senior Samantha Michael and junior Mikayla Haut combined for a block on Schoolcraft star Andelyn Simkins to close out the match.

# Back to School: How We Got Here

Since March 12, our world has been anything but normal. These times have tested most everything in life, and as summer turned toward fall, we found ourselves still with far more questions than answers. It has been said that an abnormal reaction to an abnormal situation is normal behavior.

Let me start with these abnormal times. I had many conversations with administrators over the months leading to the start of school and school sports. The one constant theme was that these are anything but normal times. Many of these conversations moved to the issue of schools starting the academic year virtually while considering whether or not to offer school sports opportunities this fall. Let me share the things that have been part of almost all conversations on this topic.

The loudest message I heard was that kids were going to be playing sports this fall someplace. Period. Since May, that belief was proven consistently as athletic activity took place in the club, travel, AAU and non-school space nearly every day. From first-hand experience, many of these events implemented ZERO of the safety standards and protocols that businesses and schools had adopted for their plans of return. The non-school world generally plowed ahead this past summer with few-to-no rules, regulations, enforcement, oversight and accountability to anyone. If kids were to be playing sports, our member schools told us that activity needs to be in the safest environment possible – which is with professional educators and trained coaches in our school sports world.

Schools were quick to point out that kids had been conditioning and training with school coaches in school-sponsored workouts most of the summer. We believed that the absence of virus outbreaks among our 749 high schools' summer activities, involving thousands of kids, was because schools were following the return-to-activity plans. Districts told us they can continue doing what they've been doing safely since June by following all COVID guidance and regulations that the MHSAA put in place with government's leadership and partnership.

Schools starting the year virtually have told us they used the lessons learned from the start of sports for when students eventually returned, or will return, later this year. School administrators have shared this view privately as this has become a highly-charged topic among various groups within our school communities. Sports allow schools to bring students back to campus in small, consistent and defined groups with the same adults working with those students each day. In school sports, there is little mixing of students from one sport with those students in another – making it much easier to monitor, track and trace kids when needed than if all students were in the buildings, hallways and classrooms all day. We heard from administrators that valuable lessons learned with athletics in August and September could lead to a more successful school start-up with students back on campus later in the year.

All of us share the fundamental belief that we must protect the health and safety of individuals first. This doesn't include only COVID prevention measures, but also the mental health of teenage students and adults as well. In districts starting the school year online, they viewed athletics being the one shred of normalcy students, and staff members who choose to coach, would have during the fall. It's a chance to safely interact with peers and get needed physical activity that hasn't been happening for some kids since March. Health and safety has to include all facets of the individual, and more research is being shared each day about how mental health is becoming a critical issue during these times. For many at-risk kids, sports is the one motivating factor to keep them in school and progressing toward graduation. Given the challenges of all online education for these at-risk kids, sports and the daily routine they bring perhaps are more important for this group of students than ever before.

With no school sports, the affluent communities and families can navigate online learning during the day and then afford the non-school athletic opportunities that kids and families in less-affluent areas simply cannot. In many communities, school sports can provide opportunities and open doors that would not appear if kids become priced-out from participating and competing.

The past several months have been the most abnormal in a century. School sports being the one pathway back to school for students in our state – the one norm for this year – run by professional educators who put kids first, can be an incredible boost to the physical and mental health of all of us. We believe that school sports can be done safely and smartly, and the MHSAA continues to develop plans that do just that. We believe we must react to these abnormal times by thinking differently and looking at these unique times through a unique lens.

Trying to find one normal for our kids in these abnormal school days might just be the best thing we can do.

— Mark Uyl, MHSAA Executive Director

# Scholar-Athlete Award in 32nd Year Awarding Scholarships to Students

Thousands of students voluntarily extend their classroom day by taking part in extracurricular activities, often improving their academic achievements in the process. The value that such programs play in the total education of a high school student is highlighted through the MHSAA/Farm Bureau Insurance Scholar-Athlete Award, which will award \$1,000 scholarships to 32 top student-athletes and recognize over 2,000 other outstanding individuals in 2020-21.

Underwritten by Farm Bureau Insurance, the Scholar-Athlete Award is now in its 32nd year, and presents scholarships to students in every MHSAA enrollment classification. The scholarships may be used at any institution of higher learning.

“It is amazing to see the number of young people who are proven achievers in academics and activities,” said Mark Uyl, executive director of the MHSAA. “At a time when our educational system is coming under fire, the Scholar-Athlete

Award is something that proves how important athletics are to the development of a well-rounded person.”

Students applying for the Scholar-Athlete Award must be graduating during the 2020-21 school year, carry a 3.5

grade-point average, and have previously won a letter in a varsity sport that the MHSAA sponsors postseason competition.

Applicants will also be required to show involvement in other school-community activities and submit an essay on the importance of sportsmanship in educational athletics.

Application materials can be found on [MHSAA.com](http://MHSAA.com). Scan the code below to access the page.

Each MHSAA member school is allowed to nominate a number of student-athletes based on the size of the school. Class A schools can nominate six boys and six girls, Class B four boys and four girls, Class C three boys and three girls and Class D two boys and two girls. The first 30 scholarships will be awarded based on this graduated scale, with two additional scholarships intended for minority applicants.

A committee composed of school administrators from across the state will select regional and statewide winners.

Farm Bureau Insurance, a long-time supporter of MHSAA activities, also sponsors other educationally oriented programs. Chief Executive Officer Don Simon notes the company's pleasure with the awards program.

The 32 scholarship recipients will be recognized at the MHSAA Boys Basketball Finals at the Breslin Student Events Center in East Lansing in March.

The annual scholar-athlete ceremony is one of the highlights of the winter season. More information about the awards may be obtained by contacting your local school principal, athletic director or guidance counselor. The online application form can be found at [MHSAA.com/scholarship](http://MHSAA.com/scholarship).

# Student Advisory Council Aids MHSAA

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of Association championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors join the group of eight seniors-to-be appointed a year earlier.

Selected to begin serving on the Student Advisory Council in 2020-21 are: **Brinlee Barry**, Caledonia; **Faith Breinager**, Frankenmuth; **Amina Ferris**, Dearborn; **Nico Johnson**, Britton Deerfield; **Brenna Kosal**, Peck; **Ashton McNabb**, Three Oaks River Valley; **Brock Porter**, Orchard Lake St. Mary's; and **Melik Williams**, Ypsilanti Lincoln.

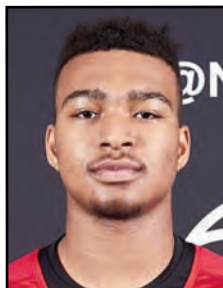

Those eight new members were selected from a record-high 179 applicants, twice as many as generally apply for SAC positions every year.

The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 117 schools from 45 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in nine MHSAA sports, and seven will be the first SAC members from their respective schools.

The new additions to the SAC join the Class of 2021 members who were selected in 2019: **Pierre Brooks II**, Detroit Douglass; **Macy Brown**, Cadillac; **Lydia Davenport**, Ithaca; **Freddy Kopplow**, Traverse City St. Francis; **Colin McAuliffe**, Salem; **Avery Peters**, Mason; **Abbey Pheiffer**, Novi; and **Landen Thompson**, Stevensville Lakeshore.

## Student Advisory Council Belief Statement

*As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.*

*We believe **athletes** should be competitive, sportsmanlike and excel academically. We believe **students** in the stands should have fun, but not take the focus away from the game. We believe **coaches** should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that **parents** should always be positive role models and be supportive of their child's decisions. We believe **officials** commit their own time to high school sports and respect should always be shown and given to them.*

*The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.*

# The MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, nonpublic schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

# Finals Notes

## Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

Officials for MHSAA Finals are selected based on the recommendations and ratings by schools, as well as from input from local officials associations.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all corners of Michigan.

Selected to work this year's Semifinals / Finals are: **Craig Bauer**, Bay City; **Raymond Bauer**, Newaygo; **DeLee Dankenbring**, Grand Ledge; **Mary Gray**, Lansing; **Nancy Hebert**, Tecumseh; **Fusako Hines**, St Clair Shores; **Mark Howells**, Grandville; **Annette Kelly**, Tecumseh; **Stephen Metzger**, Hastings; **Sharon Sawyers**, Freeland; **Shannon Smith**, Mt. Morris; **Kirk Snyder**, Jonesville.

Congratulations to this year's Final officials. If you are interested in becoming a registered game official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823, or register online at [mhsaa.com](http://mhsaa.com).

## Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, more than 11,000 game officials and 50,000-plus administrators and coaches at over 1,600 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games.

The behind the scenes work of these individuals and their staffs make sure that tournament competition is a memorable experience for the participants.

The MHSAA thanks the tournament managers for the 2020 Girls Volleyball Finals, **Jay Gladstone** of the Calhoun County CVB and **Ben Randels** of Kellogg Arena in Battle Creek. Assisting are area athletic directors **Tray Crusciel**, Battle Creek Lakeview; **Brett Steele**, Battle Creek Pennfield; **Ed Greenman**, Battle Creek Harper Creek; **Vicky Groat**, Battle Creek St. Philip.
