2021 8-PLAYER FOOTBALL FINALS

NOVEMBER 20

Welcome

Welcome to the MHSAA Championships! This is a classroom like no other, and now is the time for the final exam. Like the academic classroom, some have had good fortune and smooth sailing along the way in getting here while others have overcome adversity during the season. Even today, a good bounce or a bad bounce will occur.

Your athletic skills are put to the test, but more importantly, your discipline will be challenged, as well. The knack for making the right move at the right moment is often the difference between winning and coming up just short.

Discipline also means testing your self-control and people skills. To embrace our diverse opponents as equals, and to employ common decency – every – single – moment. Win or lose.

That’s the beauty of educational athletics. The takeaways today are not the trophies and medals, but the life lessons learned and applied over years of sports.

Congratulations for reaching the end of the tournament road. Good luck to all!

— *Mark Uyl*
MHSAA Executive Director

Jets Soar to Record High

Winning the MHSAA 8-Player Football Final was nothing new to the Jets of Powers North Central, as the 2020 title marked the school’s third straight. Scoring 70 points was something new, as the Jets set a record for points in the victory.

JETS SOAR TO RECORD

It's not often when a pair of defensive plays are key in a 70-48 decision. But that's the way it went for Powers North Central, which beat Portland St. Patrick by that score in the 2020 8-Player Division 2.

The North Central Jets (11-0), who won their third MHSAA Finals championship, sacked St. Patrick quarterback Connor Cross seven times. But he completed 25 of 38 passes for 374 yards and six touchdowns.

"My hat's off to Portland St. Patrick," North Central coach Leo Gorzinski said. "They tested our kids like no one has this season."

The Jets were led by Luke Gorzinski, who rushed for 299 yards and four touchdowns and threw for 156 yards and three more scores.

"I was on the team last year, when we lost in the Final," he said. "It was a heartbreaking loss, but this is the top of the world."

Wyatt Raab rushed for a pair of touchdowns and caught two passes for scores. He also sacked Cross in the end zone for a safety that gave the Jets a 10-0 lead after the first quarter.

But the Shamrocks (10-1) answered, scoring 22 points in the second quarter, only to see the Jets add 24 to take a 34-22 halftime lead.

While the game would go on to set multiple 8-Player Finals scoring records, including for most points scored by both teams combined, the aforementioned pair of defensive plays helped North Central pull away during the third quarter.

The Jets thwarted the Shamrocks on the first drive of the second half, when Luke Klieman intercepted a pass at the Jets' 40. After the teams exchanged touchdowns, North Central forced St. Patrick to turn the ball over on downs. Raab then scored two plays later from 28 yards out to effectively put the game out of reach.

The Jets' defense, which allowed St. Patrick 404 yards in total offense, allowed only 31 on the ground, most of them after the game was out of reach, and stopped the Shamrocks on four attempted two-point conversions.

Both teams were without starters due to the coronavirus or contact tracing.

"We were missing some key players," Luke Gorzinski said. "But their replacements stepped up. We had freshmen and sophomores out there, and they were awesome."

North Central racked up 579 yards in scoring 70 or more points for the fifth time this season.

The Shamrocks, to their credit, kept after the Jets to the end.

"That's the way we've played all year, through the shutdown and everything" St. Patrick coach Patrick Russman said. "They want to play and have fun. That's their character."

Shane Cook had 13 catches for 179 yards and three touchdowns for the Shamrocks.

Adrian Lenawee Christian celebrated its first title in 8-Player Football last fall.

Powers North Central had plenty of chances to celebrate in the Division 2 Final, scoring a record 70 points in grabbing the school's third straight championship.

DIVISION 1

Adrian Lenawee Christian coach Bill Wilharms liked his team's chances going into the 2020 8-Player Division 1 Playoffs. When the championship game was switched from outdoors in Midland to indoors at the Legacy Center in Brighton, he liked them a whole lot more.

"We've got power, but speed is what we base ourselves on," he said. "And the whole thought of basketball-on-grass when we're on offense helps."

The Cougars (11-0) took advantage, overwhelming Suttons Bay from the start in a 47-0 win.

Lenawee Christian put that speed to good use early, getting its first touchdown after a blocked punt by Jameson Chesser, and picking up its second with a 36-yard punt return for a touchdown by Ashur Bryja.

The Cougars never looked back, putting the game out of reach on the arm and legs of quarterback Landon Gallant, who threw two touchdown passes to Chesser, of 57 and 22 yards, and ran one in himself to give Lenawee Christian a 33-0 halftime lead.

Meanwhile, the Cougars' defense was seemingly everywhere.

Suttons Bay had just 52 yards in total offense, and completed only 2 of 14 passes while getting sacked seven times.

"They closed on the ball very well," Norsemen coach Garrett Opie said. "They're fast, they're athletic and they did a great job. We were trying certain mixtures in plays and feeling things out at the beginning of the game, and they did so well against many of our looks."

The Cougars, meanwhile, piled up 400 yards in total offense, 289 of that through the air. Gallant completed 14 of 21 passes for 267 yards, while Bryja was 4-for-4 for 22 yards.

Chesser finished with four catches for 127 yards while also rushing for 52 yards. Elliott Addleman had four catches for 116 yards.

In fact, Suttons Bay's biggest play came late in the game via its defense, when Michael Wittman picked up a fumble and returned it 37 yards before Bryja knocked him out of bounds, preventing a touchdown.

It was the first title for Lenawee Christian, which completed its first season of the 8-player format.

"It feels great," said linebacker Brandon Scott, who led the Cougars with 10 tackles. "To do it with this team makes it a lot better. All the things we went through, all the pauses, who'd have thought we'd be finishing high school football in January? And indoors?"

Opie, an Adrian High School graduate who went to school with Wilharms' wife and sister-in-law, saw his team lose in the Division 1 Final for the second year in a row, but took the loss philosophically.

"They're a phenomenal team," he said. "But, I'm very proud of our team for our 10-0 season. We don't want to go out this way, but it's a privilege to be here, so we'll take it with us and be very happy."

FINALS NOTES

WELCOME TO THE SUPERIOR DOME

The Superior Dome on the campus of Northern Michigan University in Marquette is the perfect host for the MHSAA 8-Player Football Finals.

The Superior Dome has been a favorite spot on the MHSAA Football Playoff trail for years, from Semifinal weekends of the 11-player game, to the inaugural 8-Player title game in 2011, and the two inaugural divisional title games in 2017. Today, the 8-Player game again takes center stage beneath the roof, with a pair of championship tilts.

The Superior Dome has been home to the Wildcat football team since its construction in 1991 and is now also home to the Wildcat soccer teams, lacrosse teams and track teams. The Dome stands 14 stories high and encompasses 5.1 acres under its roof. Constructed of 781 Douglas Fir beams and 108.5 miles of fir decking, the Dome has a permanent seating capacity of 8,000, although the building can hold as many as 16,000 people.

In the *Book of World Records-2010*, the Superior Dome is listed as the fifth-largest dome structure in the world (largest being measured by diameter). The four other structures that are larger are made of steel, making it the largest wooden dome structure. The facility has a diameter of 536 feet. It has the ability to withstand 60 pounds per square foot of snow and 80 mile per hour winds.

The Superior Dome is also home of the NMU Olympic Training Site offices, as well as special training areas for the NMU-OTS boxing, weightlifting and wrestling teams.

Your Officials Today

Just as the participants on the teams at this year's Finals are realizing a dream of vying for top honors, another group of individuals are also reaching a goal for the hard work they have put in by being assigned to officiate the action.

Officials for MHSAA Finals are selected based on the recommendations and ratings by schools, as well as from input from local officials associations.

These officials believe that interscholastic athletics are truly educational in nature, and work to uphold that standard. Like the athletes in the Finals, officials come from all corners of Michigan.

Selected to work the Finals are: **John Sandlin**, Owosso; **Dana Higgins**, Olivet; **David Eubank**, Battle Creek; **Jan Veliquette**, Kewadin; **Mark Lennemann**, Petoskey; **Dean Lefebvre**, Iron Mountain; **John Burke**, Ishpeming; **Christopher Barron**, Rock; **Greg Hendricks**, Kingsford; **Mario Marana**, Negaunee.

Congratulations to this year's Finals officials. If you are interested in becoming a registered game official in any sport, contact the MHSAA at 1661 Ramblewood Drive, East Lansing, MI 48823, or register online at mhsaa.com.

Behind The Scenes

The hallmark of a strong association is its ability to work together for the common good. Every year, over 8,000 game officials and 50,000-plus administrators and coaches at over 1,300 middle, junior and senior high schools voluntarily pool their efforts daily for the operations of the MHSAA's competitive extracurricular interscholastic athletic program.

An important responsibility of membership in the Association is the operation of the hundreds of District, Regional and Final level tournaments by school administrators who serve as the site managers for these games. The behind-the-scenes work of these individuals ensures a memorable experience for the participants.

The MHSAA would like to thank the tournament managers for the 2021 8-Player Football Finals, Northern Michigan University Director of Partnerships and Events **Jeff Korpi** and Events Manager **Joanna Emigh**.

Coordinating the Finals from the MHSAA office are Assistant Director **Cody Inglis**; Director of Brand Management **Andy Frushour**, and Communications Director **Geoff Kimmerly**.

The MHSAA would like to recognize the efforts of these individuals and others who have donated their time and talents to make the Finals a success.

Thank You

The MHSAA would like to thank **Wilson Sporting Goods** for providing the teams participating in today's Finals with commemorative autographable footballs.

Awards Presentors

At the completion of each championship game, trophies and medals will be awarded to the competing teams. Making the awards presentations will be MHSAA Representative Council Members **Don Gustafson**, St. Ignace, and **Alex Tiseo**, Marquette.

Finals on the Air

The Finals will be televised on a delayed basis by **Bally Sports Detroit**. Playback dates and times are: Division 1 - Thursday, Nov. 25, 7 p.m.; Division 2 - Thursday, Nov. 25, 10 p.m. Archived video can be found following the event on **MHSAA.tv**. Live and archived audio of the Final can be heard at **MHSAANetwork.com**. Consult **MHSAA.com** for further details and playback schedules.

Results on the Web

Statistical summaries of the Finals may be found on MHSAA Website, **MHSAA.com**.

Motor City for the Holiday

Today's MHSAA 8-Player Football Final kicks off the holiday season and a feast of football. Make plans to travel to Detroit for the 11-Player extravaganza next weekend, Nov. 26-27, for eight games in two days at Ford Field. Tickets are \$20 per day, good for all four games each day!

Title IX Turns 50, and Results Speak Volumes

To say that American female athletes dominated the recent Olympics in Tokyo would be an understatement. Among the 66 medals earned by American female Olympians – most by any country in the history of the Games – were gold-medal performances by the U.S. basketball, volleyball, water polo and beach volleyball teams. Eighteen medals were earned by the U.S. women swimmers, female track and field athletes claimed 15 medals, and the U.S. women's softball and soccer teams won silver and bronze medals, respectively.

In the past 30 years of the Olympic Games, the United States has dominated the women's team sports of basketball (nine golds), soccer (four golds, one silver, one bronze) and softball (three golds, two silvers) — not to mention the untold number of medals in track and field. And this past summer, the U.S. women's volleyball team claimed its first gold medal.

These performances by some of our nation's most skilled female athletes never would have been possible without the passage of Title IX and the offerings of these sports through our nation's schools. With the chance to play afforded by the landmark Title IX legislation in 1972, girls participation in several high school sports skyrocketed in the years that followed.

When the NFHS conducted its first participation survey in 1971, basketball and outdoor track and field were the primary girls sports, comprising about two-thirds of the 294,000 total. However, with the opportunity to play additional sports, girls flocked to volleyball and softball first, along with cross country and eventually soccer.

Soccer, in fact, has had the most remarkable growth. In 1971, only 700 girls were playing high school soccer. Twenty-five years later, that number had climbed to almost 210,000; and as the 50th anniversary of Title IX approaches, there are now almost 400,000 girls playing high school soccer – a staggering 56,200 percentage increase in 50 years. Soccer now ranks fourth in popularity among girls high school sports – all because of that opportunity in 1972.

There are many other success stories, however. The pre-Title IX survey in 1971 indicated that 1,719 girls were participating in cross country. With increases every year until 2015, today, there are 219,345 girls competing in high school programs and the sport ranks sixth in popularity.

Although participation numbers have leveled a bit the past 10 years, fast-pitch softball is another sport that flourished after the passage of Title IX. With fewer than 10,000 participants in 1971, the numbers quickly rose to 220,000 by 1985 and 343,000 by 2000, and softball is currently fifth among girls sports with 362,038 participants.

Since track and field and basketball were the primary sports in the early days of girls sports programs, increases in those sports have not been as dramatic; however, they remain the first and third most-popular sports, respectively,

Hockey Weekly Action Photos

In the 50 years since the landmark Title IX legislation, girls around the nation have had plenty to celebrate.

today. Volleyball, however, much like soccer, continues its upward climb.

Without a doubt, volleyball has seen the steadiest increases among girls high school sports the past 50 years. After starting with 17,952 participants in 1971, the numbers jumped to 300,810 by 1990 and 409,332 by 2010 and 452,808 by 2018. During its climb, volleyball surpassed basketball as the No. 2 girls sport.

And among the top six girls sports from 2010 to 2018 (numbers are not available the past two years due to the pandemic), volleyball has gained the most participants (43,476), followed by soccer (32,549). And all of this has occurred thanks to legislation passed in 1972 that was not fundamentally meant to address opportunities for girls to participate in high school sports.

The NFHS is leading a yearlong celebration of the 50th anniversary of Title IX, which officially occurs on June 23, 2022. "Title IX at 50 – Celebrating and Growing Opportunities" is highlighting the law's impact by celebrating the inspirational individuals and landmark moments in the history of Title IX, and continuing to grow the educational and competitive opportunities for the future.

The MHSAA is joining in the celebration with regular installments on its feature website, MHSAA SecondHalf. Join us in recognizing the key people who helped build and promote opportunities for female student-athletes in Michigan.

— Dr. Karissa Niehoff
NFHS Executive Director

Dr. Karissa L. Niehoff is in her fourth year as executive director of the National Federation of State High School Associations (NFHS) in Indianapolis. She is the first female to head the national leadership organization for high school athletics and performing arts activities and the sixth full-time executive director of the NFHS. She previously was executive director of the Connecticut Association of Schools-Connecticut Interscholastic Athletic Conference.

Scholar-Athlete Award in 33rd Year Awarding Scholarships to Students

Thousands of students voluntarily extend their classroom day by taking part in extracurricular activities, often improving their academic achievements in the process. The value that such programs play in the total education of a high school student is highlighted through the MHSAA/Farm Bureau Insurance Scholar-Athlete Award, which will award \$2,000 scholarships to 32 top student-athletes and recognize over 2,000 other outstanding individuals in 2021-22.

Underwritten by Farm Bureau Insurance, the Scholar-Athlete Award is now in its 33rd year, and presents scholarships to students in every MHSAA enrollment classification. The scholarships may be used at any institution of higher learning.

“It is amazing to see the number of young people who are proven achievers in academics and activities,” said Mark Uyl, executive director of the MHSAA. “At a time when our educational system is coming under fire, the Scholar-Athlete

Award is something that proves how important athletics are to the development of a well-rounded person.”

Students applying for the Scholar-Athlete Award must be graduating during the 2021-22 school year, carry a 3.5 grade-point average, and have previously won a letter in a varsity sport that the MHSAA sponsors postseason competition.

Applicants will also be required to show involvement in other school-community activities and submit an essay on the importance of sportsmanship in educational athletics.

Application materials can be found on MHSAA.com. Scan the code below to access the page.

Each MHSAA member school is allowed to nominate a number of student-athletes based on the size of the school. Class A schools can nominate six boys and six girls, Class B four boys and four girls, Class C three boys and three girls and Class D two boys and two girls. The first 30 scholarships will be awarded based on this graduated scale, with two additional scholarships intended for minority applicants.

A committee composed of school administrators from across the state will select regional and statewide winners.

Farm Bureau Insurance, a long-time supporter of MHSAA activities, also sponsors other educationally oriented programs.

The 32 scholarship recipients will be recognized at the MHSAA Boys Basketball Finals at the Breslin Student Events Center in East Lansing in March 2022.

The annual scholar-athlete ceremony is one of the highlights of the winter season. More information about the awards may be obtained by contacting your local school principal, athletic director or guidance counselor. The online application form can be found at MHSAA.com/scholarship.

Our lives are a collection of experiences. Moments of happiness and times of great loss. On the field, court—or where ever you play—through the big wins, learning from the mistakes, season celebrations and graduations.

As Michigan's Insurance Company; we're proud to support Michigan high school athletes and their families for all the moments that matter. Because at Farm Bureau Insurance, the experience you get with our trusted local advisors is different.

From financial security to a helping hand, the
EXPERIENCE MATTERS.

Student Advisory Council Aids MHSAA

Eight student-athletes who are juniors at their schools during the 2021-22 academic year have been selected to serve two-year terms on the Michigan High School Athletic Association's Student Advisory Council.

The Student Advisory Council is a 16-member group which provides feedback on issues impacting educational athletics from a student's perspective, and also is involved in the operation of Association championship events and other programming. Members of the Student Advisory Council serve for two years, beginning as juniors. Eight new members are selected annually to serve on the SAC, with nominations made by MHSAA member schools. The incoming juniors will join the group of eight seniors-to-be appointed a year ago.

Selected to begin serving on the Student Advisory Council in 2021-22 are: **Sam Gibson**, Plainwell; **Brady Leistra**, East Grand Rapids; **Caroline Li**, Okemos; **Sam Matias**, Lansing Catholic; **Zar'ria Mitchell**, Saginaw Heritage; **Carney Salo**, Escanaba; **Brandon Thompson**, Petersburg Summerfield; and **Keira Tolmie**, Clarkston.

Those eight new members were selected from 114 applicants. That applicant total was 40 percent more than the total number of applicants who generally apply for SAC positions every year.

The first Student Advisory Council was formed for the 2006-07 school year. With the addition of this class beginning this summer, members will have represented 122 schools from 46 leagues plus independent schools that do not play in a league. Combined, the new appointees have participated in 12 MHSAA sports, and five will be the first SAC members from their respective schools.

The Student Advisory Council generally meets seven times each school year, and once more for a 24-hour leadership camp. Last school year, due to COVID-19, the Council met nearly twice as many times, but virtually all but once when members met for an outdoor, socially-distanced session.

In addition to assisting in the promotion of the educational value of interscholastic

2021-22 Student Advisory Council

First Row: Brandon Thompson, Petersburg Summerfield; Carney Salo, Escanaba; Sam Matias, Lansing Catholic; Keira Tolmie, Clarkston; Sam Gibson, Plainwell; and Caroline Li, Okemos. **Second Row:** Faith Breinager, Frankenmuth; Amina Ferris, Dearborn; Ashton McNabb, Three Oaks River Valley; Brock Porter, Orchard Lake St. Mary's; Melik Williams, Ypsilanti Lincoln; Nico Johnson, Britton Deerfield; Brinlee Barry, Caledonia; and Brenna Kosal, Peck. **Not Pictured:** Brady Leistra, East Grand Rapids; and Zar'ria Mitchell, Saginaw Heritage.

Student Advisory Council Belief Statement

As the voice of Michigan's student-athletes, the Student Advisory Council's role is to convey the message of how high school sports are supposed to be played. We are responsible for helping the MHSAA maintain a positive and healthy atmosphere in which interscholastic athletes can thrive.

*We believe **athletes** should be competitive, sportsmanlike and excel academically. We believe **students** in the stands should have fun, but not take the focus away from the game. We believe **coaches** should act as teachers, helping student-athletes develop while still keeping high school sports in perspective. We believe that **parents** should always be positive role models and be supportive of their child's decisions. We believe **officials** commit their own time to high school sports and respect should always be shown and given to them.*

The most important goal for student-athletes is to enjoy high school sports while keeping a high level of respect between all those involved in the games.

athletics, the Council discusses issues dealing with the 4 S's of educational athletics: scholarship, sportsmanship, safety (including health and nutrition) and the sensible scope of athletic programs. There also is a fifth S discussed by the group – student leadership.

The new additions to the SAC will join the Class of 2022 members who were

selected a year ago: **Brinlee Barry**, Caledonia; **Faith Breinager**, Frankenmuth; **Amina Ferris**, Dearborn; **Nico Johnson**, Britton Deerfield; **Brenna Kosal**, Peck; **Ashton McNabb**, Three Oaks River Valley; **Brock Porter**, Orchard Lake St. Mary's; and **Melik Williams**, Ypsilanti Lincoln.

The MHSAA Representative Council

The Representative Council of the Michigan High School Athletic Association is the body assembled to carry out the wishes of member schools. The Council meets several times annually to discuss and pass legislation concerning interscholastic athletics in Michigan.

The Representative Council is made up of 19 members, with all but five elected by a vote of MHSAA-member schools to represent different geographic regions, different sizes of schools, nonpublic schools, and junior and middle schools. Two members are elected to statewide at-large positions. Four members are appointed by the Council to facilitate representation of females and minorities, and the 19th position is occupied by the Superintendent of Public Instruction or his/her designee.

The officers and two other representatives form the MHSAA's Executive Committee, which meets on a monthly basis during the school year to review eligibility appeals and other current business.

Representative Council Members

Eric Albright**
Athletic Director
Midland High School
Class A-B — Northern Lower Peninsula
