

## **PARTICIPATING SCHOOL TOURNAMENT INFORMATION 2022 MHSAA HOCKEY**

### **1. TOURNAMENT FORMAT**

The MHSAA Hockey Tournament will be conducted in three equal divisions based on school enrollment. Schools will be placed in one of eight Regional groupings of 4-8 teams in each Division for their initial assignment as determined by MHSAA staff based on geography. Regional champions in each Division advance to the Quarterfinal round. Quarterfinal winners in each of three Divisions advance to the Semifinal round, with winners meeting for the MHSAA Championship in each Division.

Host sites for Regional & Quarterfinal games are determined by the MHSAA staff and reviewed by the MHSAA Hockey Committee. MPR (Michigan Power Rankings) listings based upon wins, losses and ties will determine the brackets for first round Regional opponents. Semifinal and Final games in each Division will be conducted at USA Hockey Arena in Plymouth.

#### **Tournament Dates - 2022**

Regional games – February 21 – March 2, 2022

Quarterfinal games – March 5, 2022

Semifinal games – March 10, 2022 (Division 2), March 11, 2022 (Divisions 1 & 3)

Championship games – March 12, 2022

The Semifinal (blind) draw as determined by the MHSAA for 2022 was conducted in February and is posted on MHSAA.com under the hockey page.

All initial Regional tournament brackets, times, assignments, Quarterfinal sites and Semifinal pairings are also posted on the MHSAA Website.

### **2. TOURNAMENT PROCEDURES**

**Administrator Attendance Requirement** - By Representative Council action, the school principal, athletic director, or other non-coaching faculty member of the school with a letter of authorization from the school principal shall attend MHSAA Ice Hockey Tournament games in which their school participates and must identify himself/herself to the game management. Schools not complying will face MHSAA administrative disciplinary action.

**Bands** – School pep bands are not allowed at the Regional and Quarterfinal levels of the tournament. At the Semifinals and Finals, pep bands are allowed with advance approval and coordination from the MHSAA. Bands may play between periods only.

**Cheerleaders** - A maximum of 12 cheerleaders in uniform, including mascots, plus the coach/advisor from each school, may be admitted without charge to games in which their school competes.

**Home Team Designation** - At each game of the MHSAA Tournament, the home team will be determined by a coin flip to be conducted by tournament management and a representative of each participating team prior to each game. The coin flip may be conducted in advance of the game (e.g. draw meeting, league meeting, conference call) by the tournament manager with proper participant and school notification.

**Noisemakers** - Noisemakers are prohibited at all levels of the MHSAA tournament. This includes, but is not limited to whistles, cowbells, confetti, thundersticks, air horns, jugs with pennies, stones, and marbles. Also prohibited are banners on sticks, confetti, balloons and laser pointers.

**Protests** - There are no protests of officials' decisions in MHSAA Tournament contests.

**Locker room Privacy Policy** - Using devices of any kind to capture or transmit images is strictly prohibited in locker rooms, dressing areas, training rooms, weigh-in rooms, showers, restrooms, or other areas where there is an expectation of privacy during MHSAA tournament events. Tournament managers or athletic directors that discover such use should move immediately to have the device removed and inform the head coach or athletic director of the identity and nature of the activity of the person involved.

### **3. OPT OUT POLICIES, ELIGIBILITY LISTS, ROSTERS**

Schools must submit to the Regional Tournament Manager a Master Eligibility List and Team Roster by the Opt-out Due Date. Roster forms may be school generated or forms posted on the MHSAA Web site. Failure to fulfill the above obligations by the specified Opt-out Due Date will result in MHSAA penalties as stipulated in the MHSAA Handbook. For ice hockey the Opt-out Due Date is February 4, 2022. All players on the Master Eligibility List submitted are eligible for tournament play.

If the Team Roster and Master Eligibility List are received after the Opt-out Due Date, but before the draw is made; they may be accepted with the payment of a \$50 late fee. The \$50 late fee is due in the hands of the manager before the draw. Late fees may be retained by the host school.

Additions or updates to the Master Eligibility List (except transfer students who enroll after the dates in Regulation I, Section 9 [F]) may be accepted by the Tournament Manager if submitted and received prior to the start of competition for any team in the first level of that tournament to which the school is assigned (February 21, 2022). All players on the Master Eligibility List submitted are eligible for tournament play even if the individual names are not on the roster. To be eligible to compete in the MHSAA tournament for Ice Hockey, a student must have actually competed in that sport in at least four games with his/her school team against other MHSAA member school teams.

**Waiver Procedure for Individuals** – If a student has been a member of the MHSAA school sponsored high school ice hockey team (Sub varsity or Varsity) since the earliest date of practice within the MHSAA season and been present, dressed and on the bench for most games that season and **not** been a member of a non-school team during the same season – including dry land training, classroom preparation and on-ice practice – but has not played in four regular season\_high school games due to the customary selection of players being entered into a contest by the coach, no waiver request is necessary. The student is eligible for the MHSAA tournament.

An administrator of a school may make a written request to the MHSAA for an otherwise eligible student who has not participated in four contests during the regular season to participate in the MHSAA tournament.

Consideration will only be given if the student did not meet the four-game minimum due to cancellation of games caused by weather conditions, or due to the student's injury, illness or family tragedy (not ineligibility under MHSAA rules or school action for academic, disqualification or discipline reasons).

The request must describe the student's involvement with the school team, departure from the non-school team (if applicable) and the reason the student has not participated in four games.

If the MHSAA administrator in charge of the sport and the executive director or his/her designate concur that this is a reasonable request, the school may allow this student to participate in the MHSAA tournament. The request must be received by noon of the last business day prior to the start of competition for ANY team in the first level of that tournament to which the school is assigned.

The uniqueness of the goaltender position in ice hockey allows a school to request a waiver for that individual position based upon compelling team or individual circumstances that may exist. These are not limited to but may include: injury to a goaltender on the roster of a high school team with limited participants who are goaltenders.

**Ineligible Players** - Teams which are defeated by teams which have allowed an ineligible student to participate do not advance in MHSAA tournaments. Placement in MHSAA tournaments is vacated as a result of a team allowing one or more ineligible students to participate.

**Withdrawals** - Tournament management is to contact the MHSAA office if a school withdraws or fails to show for scheduled competition after the Opt Out Due Date for team sports or the pairings, heat assignments or flights are determined for individual sports of the first level of the MHSAA tournament in that sport.

The MHSAA staff person responsible for the sport will request from the school principal a written explanation for the no-show/withdrawal. If the reason is determined to be unacceptable by MHSAA staff, the MHSAA Executive Director will place the school on probation for the next two school years. A second offense within the two-year probationary period will cause the school to be prohibited from tournament play in that sport for the two years following the second offense.

#### **4. DRAW PROCEDURES**

Each Regional Manager will follow the MPR bracket to be released on Sunday, February 13, 2022 to determine games. Home teams are still determined by coin flip. You can get more information from MHSAA.com on the MPR system. <https://www.mhsaa.com/Sports/Ice-Hockey/Ice-Hockey-MPR>

#### **6. AWARDS**

The winning school in each division at the Regional Final Tournament will receive a trophy. The runner-up team and championship team in each division at the Final Tournament will receive a trophy.

Twenty-four (24) medals will be awarded to members of winning teams at Regional and Final Tournaments. The same number of medals will be awarded runner-up teams at the Final Tournament. If additional medals are desired by winning schools, they may be ordered through the MHSAA at school expense. Only MHSAA approved awards may be presented.

#### **7. LIMITS OF COMPETITION**

Teams and individuals may have a maximum of 25 contests during the regular season. MHSAA tournament dates do not count against season maximums. Exceeding contest limits results in disqualification from the MHSAA Tournament. One scrimmage may be held at any time in the season from the first day of practice to the last regularly scheduled contest.

#### **8. FINANCES**

Schools participating in Quarterfinal, Semifinal and Finals games will receive reimbursements for lodging, meals and mileage as follows:

**Meal Allowance** - Three dollars (\$3) for breakfast, four dollars (\$4) for lunch and six dollars (\$6) for dinner, per person for a maximum of twenty three (23) individuals.

**Lodging** - The maximum allowance is the current hotel rate secured for a maximum of twenty three (23) individuals. Allowance for expenses of competing schools at the Semifinals/Finals will continue twenty-four hours after their elimination, provided they remain at the tournament city. Schools eliminated in the Quarterfinal games will not receive expenses to attend Final games. All competing teams in Semifinals and Finals who plan to stay overnight must make their own arrangements. Contact the MHSAA for assistance in tournament lodging and lodging partners.

**Per Diem Allowance** - In addition to meal and lodging allowances, schools competing in Quarters, Semis and Finals will be paid one hundred dollars (\$100) for each day of competition. Teams unable to return

home after winning Quarterfinal contests will be paid the additional per diem and expenses for next day travel.

**Spectator Admission – Tickets for all rounds of the tournament will be sold via GoFan. Ticket prices for all Regional games are \$7 per game, and Quarterfinal games are \$9 per game. Semifinal tickets are \$13 for each session (two Division games per session). Finals tickets \$13 per game (each game is its own session). Semifinal and Final ticket fees include parking.**

## **9. OFFICIALS SELECTION/ASSIGNMENTS**

Tournament officials at the Quarterfinal, Semifinal and Final will be assigned by the MHSAA officials selection committee. The four-person hockey officiating system will be used at all Quarterfinal, Semifinal and Final games. At the Regional level, local tournament managers will be responsible for hiring game officials from a list of approved officials supplied to managers by the MHSAA and found online at MHSAA.com. The three-person officiating system will be used at all regional rounds of play.

## **10. PLAYING RULES/ADAPTATIONS**

All National Federation hockey playing rules will be used with the following adaptations:

**Video replay** will be used in the MHSAA Semifinal and Final games only. Game officials may consult with the replay official only to determine if a goal was or was not scored or if a goal was scored prior to time expiring. In addition, game disqualification penalties can be reviewed per a new NFHS allowance to ensure that the correct player are ejected from the game.

**Period Length** - A 17-minute period will be used in all MHSAA Tournament games.

**Goal Differential Rule** – At all levels of the MHSAA Tournament a running clock will be used when a team leads by eight or more goals during the first or second period. After two periods of play or any time during the third period, the game will be terminated when a team leads by eight goals. During the first and second period when the score differential drops beneath 8 goals, regular time shall be reinstated until an 8-goal margin is reached.

**Players in Uniform** - MHSAA Rules limit participating teams to a maximum of 23 players in uniform for each game. Schools may have more than 23 on rosters, and the roster may change from one game to the next, but only 23 may be in uniform and all roster players must be on the Master Eligibility List. The 23<sup>rd</sup> player on the roster must be a goaltender. Meaning 20 skaters and 3 goaltenders.

**Helmets** – Helmets must always be worn **by players and officials** while on the ice, except while standing for the National Anthem and for post-game award ceremonies.

**Neck Guards** - All players, including goalies must wear neck guards during warm-up periods and playing action. The neck guards must be commercially manufactured and not altered from their original state. Undergarments with neck guard extensions are allowed if they carry the BNQ certification. Goaltenders must also have throat protection as stated in NFHS/MHSAA rules.

**Supplemental Game Suspension Regulations** - As approved by the Representative Council game suspension penalties for unsportsmanlike conduct (game DQ) for players and coaches will be as follows: **First game DQ – Two game suspension. Second game DQ – Four game suspension. Third game DQ – Coach or player is suspended for the remainder of the season. Suspensions for game DQ penalties will be served on the next date of competition.**

**Overtime Procedures** – For all MHSAA tournament games that finish regulation tied, sudden victory overtime will take place beginning with a maximum of four 8-minute periods, after which if the game is still tied a series of 4 on 4 sudden victory overtime periods will be played to determine a winner in accordance with the following procedures:

- At the end of regulation play, the two teams go to their locker room. The ice is to be resurfaced prior to the beginning of overtime play.
- The overtime period shall be eight minutes sudden victory.
- **Change goals for first overtime period and each subsequent overtime period.**
- If the game remains tied at the end of the first overtime period, there shall be a two-minute rest period (with teams remaining at their bench), change goals and continue with the second overtime.
- At the end of each set of two eight-minute overtime periods, the ice shall be resurfaced. Teams may go to their locker rooms. Same ice cleaning format is used throughout OT.
- If the score remains tied after four overtime periods have been played, teams will play all subsequent overtime periods as 4-on-4 hockey until a winner is determined. Carry-over penalties will apply. If the first 4 on 4 period starts with a team down two players, the two man advantage will be played 5 on 3 and will remain until penalized players return to ice. Teams revert to 4 on 4 on first stoppage once shorthanded penalties expire and both teams are at full strength. (By rule, teams cannot play below on ice strength of 3 skaters plus a goalkeeper).

**Concussion Protocols - “Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional.”**

The language above appears in all National Federation sports rule books and reflects a strengthening of rules regarding the safety of athletes suspected of having a concussion. Some sports rules require officials to remove from play any athlete who was “unconscious or apparently unconscious.” This new language reflects an increasing focus on safety, given that the vast majority of concussions do not involve a loss of consciousness. This protocol is intended to provide the mechanics to follow during the course of contests when an athlete sustains an apparent concussion.

1. The officials will have no role in determining concussion other than the obvious one where a player is either unconscious or apparently unconscious. Officials will merely point out to a coach that a player is apparently injured and advise that the player should be examined by a health care professional for an exact determination of the extent of injury.
2. If it is confirmed by the school’s or the MHSAA designated health care professional that the student did not sustain a concussion, the head coach may so advise the officials during an appropriate stoppage of play and the athlete may reenter competition pursuant to the contest rules.
3. Otherwise, if competition continues while the athlete is withheld for an apparent concussion, that athlete may not be returned to competition that day but is subject to the return to play protocol.
  - a. The clearance may not be on the same date on which the athlete was removed from play.
  - b. Only an M.D., D.O., Physician’s Assistant or Nurse Practitioner may clear the individual to return to activity.
  - c. The clearance must be in writing and must be unconditional. It is not sufficient that the M.D., D.O., Physician’s Assistant or Nurse Practitioner has approved the student to begin a return to play progression. The medical examiner must approve the student’s return to unrestricted activity.
  - d. Individual school, districts and leagues may have more stringent requirements and protocols including but not limited to mandatory periods of inactivity, screening and post-concussion testing prior to the written clearance for return to activity.
4. Following the contest, an Officials Report shall be filed with a removed player’s school and the MHSAA if the situation was brought to the officials’ attention.
5. Member schools are required to complete and submit the forms designated by the MHSAA to record and track head injury events in all levels of all sports. Prior to returning to physical activity (practice or competition) the student and parent (if a minor student) must complete the Post-Concussion Consent Form. This form must be kept on file at the school and emailed to [concussion@mhsaa.com](mailto:concussion@mhsaa.com) or faxed to 517-332-4071.
6. In cases where an assigned MHSAA tournament physician (MD/DO/PA/NP) is present, his or her decision to not allow an athlete to return to activity may not be overruled.

## 11. MEDIA

Media credential requests for Regional and Quarterfinal games and tournaments are processed by local managers. Credential requests for Semifinal and Final games will be handled by the MHSAA.

**Videotaping-** Competing schools may videotape games in which that school competes. The tape is not to be used to second-guess decisions made by game/meet officials. Schools wishing to videotape games at other sites may do so without securing advanced permission, but must tape from the stands unless press box space is available. Spectators may tape games from their normal seating area but are not to interfere with the view of other spectators or news media personnel covering the activity. A manager is not required to provide electrical hook-ups; or tripod space and may arrange spectator videotaping from a designated location(s). The tape may not be distributed, sold, rented, or loaned for commercial purposes. Video shot by schools and spectators may not be distributed on the Internet; nor may it be otherwise distributed, sold, rented or loaned for commercial purposes.

### **Souvenir Program Policies**

**Regional winners must submit rosters & photos for the MHSAA Finals program via the on-line submission process. Teams should provide Regional and Quarterfinal tournament managers with roster information for local program production.**

### **Merchandising/Promotion Policies**

Use of MHSAA Logo – The MHSAA logo and acronym are registered trademarks. MHSAA tournament trophy designs are also copyrighted. Use of these legally protected marks requires written permission of the MHSAA. Contact the MHSAA Communications Director for additional information.

### **Multimedia Policies**

Audio/Video/Still Photography Rights – The MHSAA owns the rights to all multimedia (audio-video-still images-Internet) at all levels of its tournaments. Still and video photography is allowed by individual spectators from the seating area of the venue unless the host school district or facility has a previously existing policy which is more restrictive. The MHSAA has exclusive multimedia arrangements for its Final events.

MHSAA Handbook Regulation II, Section 14(A) reads as follows: “No school may sell or rent videos (DVD, tape or film) or sell still images of contests which are part of an MHSAA tournament without the permission of the MHSAA.”

If a school wishes to authorize an individual(s) to create multimedia content, the principal or athletic administrator must contact the tournament manager for passes and access. Refer to the publication, MHSAA Multimedia Regulations, for more information.

No radio or television origination or audio or video broadcasts via the Internet is permitted at any site until application has been made through the MHSAA, fee paid and authorization given by the MHSAA through the tournament manager.

**PARTICIPATING TEAM/SPECTATOR INTERNET STREAMING** - The broadcast and streaming rights of MHSAA post-season tournament events belong exclusively to the N-F-H-S Network, Bally Sports Detroit, the M-H-S-A-A, and those media outlets which have pre-arranged to secure those rights. Managers: Please post the sign (found at the end of these materials).

Teams participating in MHSAA Tournaments are prohibited from streaming live video of any portion of an event over the Internet - including using social media platforms like YouTube and Facebook – or any other method. Likewise, individual spectators are also prohibited from streaming video through any means. Participating schools are responsible for informing their students, parents and other fans of this policy and to assist the MHSAA upon request in enforcing it. Participating schools are asked to help promote where their particular game may be viewed when being streamed by the MHSAA, one of its television partners, or a media outlet which has pre-arranged to secure such rights.

**Post-Game Interviews** -- Coaches should also be readily available to meet with the media shortly after the conclusion of a contest. It is recommended that approximately five minutes after the game, managers provide a location other than the team locker rooms for post game interviews with coaches and/or players the coach may wish to designate for interviews. Locker room access should never be allowed to media.

Inasmuch as many media outlets are often on deadline following contests, interviews should be granted before any lengthy team meetings occur.

## **12. SPORTSMANSHIP**

When a student is disqualified during a contest for flagrant or unsportsmanlike conduct, that student shall be withheld by his/her school for the remainder of that day of competition and for at least the next day of competition for that team.

When a coach is disqualified during a contest for unsportsmanlike conduct, that coach shall be prohibited by his/her school from coaching for the remainder of that day of competition and from coaching at or attending at least the next day of competition for that coach's team.

Failure of the school for any reason to enforce this regulation will prohibit the school from entry in the next MHSAA tournament for that sport, or from the remainder of the current tournament if the disqualification occurs during an MHSAA tournament or during the last regular-season contest.

Disqualifications from one season carry over to the next season in that sport for undergraduates and coaches, or the next season in any sport for seniors. If the playing rules for a sport specify an additional penalty or more rapid progression, or use of such a progression for other violations, the playing rules apply. **Note: MHSAA Supplemental Hockey suspensions apply for player/coach game DQ's**

Any coach who is disqualified for unsportsmanlike conduct two or more times during a season, any player who is disqualified for unsportsmanlike conduct three or more times during a season, and any coach or player who is ejected for spitting at, hitting, slapping, kicking, pushing or intentionally and aggressively physically contacting an official at any time during that season, is not eligible to participate in the MHSAA tournament for that sport that season. If the tournament disqualifying ejection for that individual occurs during the MHSAA tournament, that player or coach is ineligible for the remainder of that tournament.

If a team is removed from competition in protest, the contest is forfeited to the opponent and the coach and principal of the removed team must appear before the Executive Committee to indicate why additional action should not be taken. The Executive Committee may also require the appearance of personnel from other schools and game officials.

If the coach is ejected from the contest and an assistant coach, or an assigned school representative is not available to continue as the coach the event is terminated and forfeited to the opponent.

When a contest is interrupted or it ends prematurely because of breakdown of proper sportsmanship and whether or not the on-site officials forfeit the contest to one team, one or both schools may be subjected to any or all, but not limited to, the following: censure, probation with competition, probation without competition, forfeiture, loss of privilege of revenue sharing, expulsion. In addition, it may be required of one or both schools that their coaches and administrators appear before the Executive Committee to indicate why additional action should not be taken.

## **13. WEATHER POLICIES, SUSPENSIONS, POSTPONEMENTS**

When teams are delayed in arriving at tournament sites because of inclement weather, management is encouraged to consider delaying competition for a few hours and/or playing games/matches in brackets of teams/individuals that are present and prepared to participate. If, after a reasonable delay, fewer than 60% of the scheduled teams/individuals have not arrived, the tournament must be rescheduled. If 60% or more of the scheduled teams/individuals are present, the tournament is to be conducted on the day scheduled.

## **14. INJUNCTION, RESTRAINING ORDER, PROTESTS**

If an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition). If the meet has begun, it shall be completed.

Protests will not be reviewed by the MHSAA. All disputes must be decided at the site before the game proceeds. The officials will make the final decision regarding game events. The Tournament Manager will resolve all next game concerns.

## **15. TOBACCO AND ALCOHOL POLICY**

For players, coaches and officials at all MHSAA tournaments, use of alcohol or tobacco, including e-cigarettes or other smoking devices is prohibited at MHSAA tournament events. Managers should stress in coaches meetings that they are not to use tobacco at the tournament venue.

**Tobacco:** It is not intended that a violation of the tobacco policy should lead to immediate ejection of a coach. He or she should be reminded of the policy and reported to his or her school administration after the contest. Only if the coach is unwilling to comply promptly shall he or she be disqualified from coaching at the event. Officials should be reminded of the tobacco policy and reported in writing by the tournament manager to the MHSAA.

**Alcohol:** Historically, officials promptly disqualified coaches, and tournament managers immediately replaced officials who were under the influence of alcohol; and no change in such procedures is intended by these policies.

## **16. SPECTATOR POLICIES**

The following general policies apply to spectators at MHSAA Hockey Tournament events. Tournament managers may also have additional school, facility or institutional restrictions and/or policies.

- Banners are allowed with Tournament Manager approval.
- Noisemakers are not allowed at MHSAA indoor tournaments.
- Body paint and bare chests are not allowed.
- Smoking is not allowed at the tournament site.
- Coolers are not allowed.
- Signs on sticks are not allowed.
- Helium filled balloons are not allowed.
- Towels waved by fans are not allowed.
- Spectators may not pound on glass during games.
- Spectators may tape games from their normal seating area but are not to interfere with the view of other spectators or news media personnel covering the activity. A manager is not required to provide electrical hook-ups or tripod space and may arrange spectator videotaping from a designated location(s).

## **17. YOUTH PROTECTION POLICY**

During the MHSAA Tournament events, the MHSAA expects all designated managers, volunteer or paid staff assisting in the event, officials or any other personnel to follow local school district policy and state statute regarding the mandatory reporting of child abuse, bullying, hazing and sexual harassment. A report of such activity shall be made to legal authorities and to the MHSAA Executive Director or his designee.

## **18. UNMANNED AERIAL VEHICLE (DRONE) POLICY**

The use of unmanned aerial vehicles ("UAV"), also known as drones, is prohibited for any purpose by any persons at MHSAA tournament venues. Tournament management shall refuse admission or entry to anyone attempting to use a UAV; and if necessary, tournament management shall remove anyone attempting to use a UAV and/or confiscate the UAV until the event has been completed.

For purposes of this policy, a UAV is any aircraft without a human pilot aboard the device.

An exception to this policy may be made in specific cases for MHSAA broadcast partners, provided the management of the tournament facility permits the presence of UAVs for broadcast purposes under the control of the MHSAA.
